### Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — Computer & Hi-tech Management, Inc.\*, Virginia Beach, Va., is being awarded a \$8,870,537 performance based, indefinite delivery, indefinite quantity, cost-plus-fixed-fee type contract for system software and technical support services. These services include activities involving analysis, design, development, installation, deployment, integration, operations, procurement, configuration management, logistics, maintenance and life cycle support functions for various automated information systems. The services to be provided are in support of federal agencies in the Washington, D.C. area. Approximately 90 percent of the work covered under this contract will be for non-DOD customers, i.e., Veteran's Administration, Internal Revenue, Secret Service, Coast Guard, and Library of Congress. Navy Tactical Systems and the Defense Communications Systems for the Naval Computer Telecommunications Area Master Stations sites are also covered under this contract. Approximately 10% of the work is in support of Space and Naval Warfare Systems Center, Charleston's D.C. office. This contract includes three one-year options, which if exercised, would bring the cumulative value of this contract to \$36,923,874. The work will be performed in Washington, D.C., and is expected to be completed by June 2008. Contract funds in the amount of \$25,000 will not expire at the end of the current fiscal year. This contract was procured as an 8(a) competition. The Request for Proposal was posted on the SPAWAR Systems Center E-Commerce website, and three offers were received. The Space and Naval Warfare Systems Center, Charleston is the contracting activity (N65236-04-D-7857).

*\*Computer & Hi-tech Management, Inc. is an eligible small business 8(a) firm.*
